Objects of the Theosophical Society

1. To form a nucleus of the Universal Brotherhood of Humanity without distinction of race, creed, sex, caste or colour.
2. To encourage the study of comparative religion, philosophy and science.
3. To investigate unexplained laws of nature and the powers latent in man.

WHAT IS THEOSOPHY ?

1. It is the source of all the ageless truths which form the basis of all religions.
2. It affirms that All Life is One and that all things are alive.
3. It shows that Law pervades the Universe.
4. It demonstrates an evolutionary process which is universal.
